

**Overview**

The Pallecon iCONIC has been specifically designed to move products intercontinentally as efficiently and sustainably as possible. Suitable for the transportation of dry and liquid products, the iCONIC features four-way pallet access and a sloped pallet base to allow for maximum product decant with minimal residual waste.

**Features and Benefits**

- Capacity for aseptic liners to hold up to 1040l of product
- Large drop doors, easy-access valve operation and sloped pallet base for efficient fill, decant and handling
- Stainless steel pallet corner reinforcement ensures container durability
- Optional sight glass for product level check
- Tamper-evident facility locks from cover to base
- Highly durable and suitable for multiple uses
- Optimised storage - up to 20% additional product per pallet space compared with drums
- Allows up to 100% additional product storage when stacked
- Fast and more efficient fill and decant process compared with drum or bottle-in-cage packaging
- Can be stacked up to 7 units high to maximise warehouse storage space and transportation efficiency
- Manufactured from fully recyclable materials to create a sustainable product

**Specifications**

Dimensions - in millimeters			
	Length	Width	Height
External	1200	1000	1180
Folded	1200	1000	375
Nominal Capacity and Weight			
Maximum capacity			1040 ltrs
Maximum load weight			7500 kgs
Tare Weight			103 kgs
Dynamic Load: 3000kg			
Configuration and Stacking			
Stacked layers			3
<b>Return (7 Stack):</b> Dimensions 1200mm x 1000mm x 2625mm			
<b>Tare Weight:</b> 824kg			
Temperature Range			
Minimum / Maximum		-20 °C / 40 °C	

**Notes**

- Materials**  
Panel, lid and drop door - Polypropylene and Stainless Steel
- Recommended Use / Applications**
- Food** – Dairy, sauces, flavourings and liquid ingredients
- Cosmetics** - Lipstick, creams, lotions, foundation, mascara, eau de toilette, evening primrose oil, balms, perfume
- Toiletries** - Shampoo & conditioner, gels, bath oils, toothpaste, soap, mouthwash, deodorant, wet wipe liquid, balms, coconut oil
- Non-hazardous liquids**
