

Pallecon Collapsible Dry Container

48 x 40 x 32 inch

Overview

The 48 x 40 x 32 inch Dry IBC provides a more reliable, environmentally friendly bulk packaging solution than corrugated alternatives.

This collapsible bulk bin has a built-in pallet and allows for superior stackability, saving customers valuable storage and transportation space.

Additionally, it is more durable than cardboard, ensuring better product protection.

Features and Benefits

- No disposal fees
- Holds more weight than cardboard
- Superior stackability and protection
- Pallet and container combined for simple setup and use
- Tracking options available
- Environmentally friendly
- Improved hygiene
