

Síntese

The Automotive EuroBin is designed for use in Automotive Industries across the globe. The EuroBin features four-way forklift access and drop-down doors for easy access line side. The container features reinforcement in the corners and lower latch areas to reliably carry weights of up to 900kg and folds flat to allow it to be stacked for maximum warehouse storage efficiency.

Características e benefícios

Features

Fully foldable to maximise transport and storage space

Industry standard design is light, sturdy and meets European regulations

Ergonomic grips and latches to improve handling efficiencies

Benefits

Fully recyclable materials minimise the impact on the environment

Consistent specifications are suitable for automated production and line-side racking

Lightweight build increases handling efficiencies

Available with RFID track and trace capability

Especificações

Dimensões - em milímetros

	Comprimento	Largura	Altura
Exterior	1200	1000	980
Interior	1126	926	842
Dobrado	1200	1000	307.5

Janela / Entrada da paleta - em milímetros

	Largura	Altura
1200mm lado	90.0	777.0
1000mm lado	95.5	777.0

Capacidade nominal e peso

Capacidade máxima	859 ltrs
Peso de carga máxima	900 kg
Peso da embalagem	47.7 kg

Configuração e empilhamento

Camadas empilhadas em transporte (abertas)	3
Camadas empilhadas em transporte (dobradas)	10
Camadas empilhadas para armazenamento (abertas)	6
Camadas empilhadas para armazenamento (dobradas)	20

Notas

Materiais

Virgin Polypropylene

Utilização / Aplicações recomendadas

Brake pads, turbochargers, engine and transmission parts

Opções e Acessórios

Dust Cover, Code 871
