

Overview

The Pallecon iCONIC has been specifically designed to move products intercontinentally as efficiently and sustainably as possible. Suitable for the transportation of dry and liquid products, the iCONIC features four-way pallet access and a sloped pallet base to allow for maximum product decant with minimal residual waste.

Features and Benefits

- Capacity for aseptic liners to hold up to 1040l of product
- Large drop doors, easy-access valve operation and sloped pallet base for efficient fill, decant and handling
- Stainless steel pallet corner reinforcement ensures container durability
- Optional sight glass for product level check
- Tamper-evident facility locks from cover to base
- Highly durable and suitable for multiple uses
- Optimised storage - up to 20% additional product per-pallet space compared with drums
- Allows up to 100% additional product storage-when stacked
- Fast and more efficient fill and decant process compared-with drum or bottle-in-cage packaging
- Can be stacked up to 7 units high to maximise-warehouse storage space and transportation efficiency
- Manufactured from fully recyclable materials to create a-sustainable product

Specifications

Dimensions - in millimeters

	Length	Width	Height
External	1200	1000	1180
Folded	1200	1000	375

Nominal Capacity and Weight

Maximum capacity	1040 ltrs
Maximum load weight	7500 kgs
Tare Weight	103 kgs

Dynamic Load: 3000kg

Configuration and Stacking

Stacked layers	3
----------------	---

Return (7 Stack):- Dimensions 1200mm x 1000mm x 2625mm

Tare Weight: 824kg

Temperature Range

Minimum / Maximum	-20 °C / 40 °C
-------------------	----------------

Notes

Materials

Panel, lid and drop door - Polypropylene and-Stainless Steel

Recommended Use / Applications

Food – Dairy, sauces, flavourings and liquid ingredients

Cosmetics - Lipstick, creams, lotions, foundation,-mascara, eau de toilette, evening primrose oil,-balms, perfume

Toiletries - Shampoo & conditioner, gels, bath oils,-toothpaste, soap, mouthwash, deodorant, wet wipe-liquid,-balms, coconut oil

Non-hazardous liquids
